

B3 is the **EXCITING**, emerging franchise brand focused on offering classes, camps, events and parties concentrating on a full scope S.T.E.A.M. (Science, Technology, Engineering, Art and Math) curriculum.

B3 is brought to you by the team with over 15 years experience launching and growing children's enrichment programs across the United States.

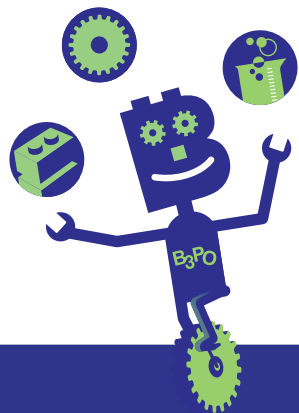

Have you always wanted to

Be your own boss ?
Work from home?
Control your time?
Make a difference in your community?
Have a positive impact on the lives of children?

Are you

Passionate about education?
Well connected in your community?
A hard worker?
Financially able to invest in a business and support its growth?

If so, then a B3 (Bricks Bots & Beakers) franchise may be the opportunity you have been looking for.

Why is the B3 Bricks Bots & Beakers franchise opportunity unique in the marketplace?

S.T.E.A.M.

Science, technology, engineering, art and math is the hottest area in education right now. B3 delivers quality STEAM enrichment programming in the areas of: Bricks = engineering, Bots = robotics and Beakers = art and science. Our programs are not limited to a single material such as LEGO bricks or just one area of STEAM such as engineering or science. Our broad variety of programming allows greater flexibility to respond to the demands in your specific market.

High quality/high interest

Our programs emphasize high quality instruction using high interest materials and activities that engage kids in learning. As a business owner you need to believe in the product you offer. Our programs have been developed by educators and proven over years of offering classes, camps and workshops that develop a following of kids who enroll again and again in B3 programs.

Low Start Up Costs

As a home based franchise you do not have to make large investments in property, storefronts or offices. Your materials package will include equipment and supplies to get your business up and running.

Very Low Ongoing Overhead

You do not have the overhead of maintaining a commercial location. All of our programs are taught in public and private schools, day care centers, preschools, community centers, and other venues that are owned and operated by other people. We simply provide our services at their location.

Sales and Marketing System

We have a complete sales and marketing system that is simple and easy to implement. It has been designed for non-sales people. Our system includes all sales and marketing literature and materials as well as a complete training.

Online Tools

Our website offers online registration and payment options for parents and franchisees have access to a robust online back office system to track registration, payments, attendance, access curriculum, and more!

Do you have what it takes to own a business and build a profitable company?

Our best franchise owners are well connected in their community, looking to build a strong income, and focused on building a business for the long term. While many of our owners are former teachers, educational experience is not required. What you do need is a desire to provide quality educational services in your community.

To be a successful B3 franchise owner requires:

Willingness to commit to full-time involvement
Available cash investment of \$26,500-\$35,500
An immediate time frame to get started
Ability to cover living expenses during start-up of business
Basic networking and presentation skills
Desire to be part of a team approach to building a business
Most important of all, you need the self-motivation to be successful and to take pride in a job well done.
